

WHEN GUNS ARE OUTLAWED

ONLY THE
UNITED
NATIONS WILL
OWN GUNS

56 million people murdered by their own governments in the 20th century.

The Soviet Union established gun control in 1929. From 1929 to 1953, 20 million political dissidents, unable to defend themselves, were rounded up and exterminated. Turkey established gun control in 1911. From 1915 to 1917, 1.5 million Armenians, unable to defend themselves, were rounded up and exterminated. Germany established gun control in 1938. From 1939 to 1945, 13 million Jews, Gypsies, homosexuals, mentally ill people, and other "mongrelized peoples," unable to defend themselves, were rounded up and exterminated. China established gun control in 1935. From 1948 to 1952, 20 million political dissidents, unable to defend themselves, were rounded up and exterminated. Guatemala established gun control in 1964. From 1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated. Uganda established gun control in 1970. From 1971 to 1979, 300,000 Christians, unable to defend themselves, were rounded up and exterminated. Cambodia established gun control in 1956. From 1975 to 1977, 1 million "educated people," unable to defend themselves, were rounded up and exterminated. In 1937, four years after the end of Prohibition, the United States Congress enacted the National Firearms Act in direct violation of the Second Amendment to the United States Constitution in order to create jobs for idle Alcohol Revenue agents. This law ultimately led to the creation of the Bureau of Alcohol, Tobacco and Firearms (BATF). In 1993, 86 members of a "religious cult" residing outside Waco, Texas were exterminated by the BATF because of unsubstantiated allegations that they had failed to purchase \$200 tax stamps for certain firearms in their possession as required by the unconstitutional 1937 National Firearms Act. Congress is currently considering passage of additional unconstitutional gun control laws in response to a few widely celebrated acts of mass violence perpetrated by deranged individuals. It remains to be seen how many more innocent members of politically incorrect minority groups will be exterminated in the name of these unconstitutional laws.
